FLEX SIDE BEND 1220

Flex Side Bend 1220 fixture has :

- Very flexible top-bend in ultra-thin appearance.

- Onsite simple cutting and assembly operation, easy mounting way by adhesive tape.

- Dot-free linear and homogeneous lighting performance.

- Quite a short increment with high density LED array.

- More flexible customization.

- More perfect of brightness and color consistency for the entire run length.

- Much wider luminous surface, no dark area at the edge.

- Higher production efficiency and quality yield by adopting silicone extrusion processing

technology.
