

LUMINA BLOOM RING

Direct | Pendant

LUMINA BLOOM RING is a premium circular LED pendant luminaire crafted from high-grade aluminium with a durable powder-coated finish. Designed for modern architectural spaces, it features precision optics for uniform, glare-controlled illumination with excellent colour consistency (CRI ≥ 90 , ≤ 3 SDCM). Built with high-efficiency LEDs, the luminaire delivers reliable performance while maintaining at least 70% of its luminous output after 50,000 operating hours.

FOR 1200mm Ring

Available in $\varnothing 1200\text{mm}$ is ideal for corporate offices, reception areas, hospitality spaces, conference rooms, and premium commercial interiors. Its slim circular profile creates a refined architectural statement while providing soft, uniform illumination. Available in multiple wattages, colour temperatures, dimming options, and custom RAL finishes to suit diverse project requirements.
