MAVERICK M-40 LED POST TOP

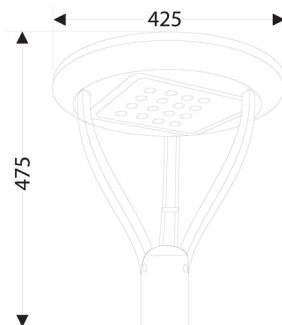

MAVERICK M-40 LED POST TOP is a modern architectural outdoor luminaire designed for efficient and visually appealing illumination of landscape and pedestrian areas. The luminaire features a robust die-cast aluminium housing with a distinctive decorative crown supported by six die-cast aluminium arms, providing a contemporary appearance while maintaining structural strength.

A die-cast aluminium heat sink ensures efficient heat dissipation, while the polycarbonate frosted diffuser provides comfortable, glare-free illumination. The fitting is finished with durable PU paint and is available in custom RAL colours.

With an overall width of 425mm and height of 475mm, MAVERICK M-40 is suitable for landscape pathways, gardens, parks, residential complexes, hotel and resort grounds, pedestrian walkways, courtyards, commercial outdoor spaces and architectural landscape projects. Divinity Lights provides customized lighting solutions according to clients' specific requirements, including suitable finishes, configurations and installation solutions for diverse outdoor lighting applications.
