MERIDIAN MODERN-2/PS LED POST TOP

MERIDIAN MODERN-2/PS is a contemporary post-top architectural luminaire designed for elegant and functional outdoor area lighting. The fixture features a robust die-cast aluminium housing with a sleek cylindrical profile and a decorative crown structure that supports the optical assembly. A clear glass diffuser provides glare-free, uniform illumination, while the die-cast aluminium heat sink ensures efficient heat dissipation and reliable thermal performance. The fitting is powder coated for enhanced durability and is available in custom RAL colours.

With a 600mm diameter and approximately 3500mm pole height, MERIDIAN MODERN-2/PS is suitable for landscape pathways, residential gardens, hotel and resort grounds, pedestrian walkways, parks, courtyards, commercial outdoor areas and architectural landscape projects. Divinity Lights provides customized lighting solutions according to clients' specific requirements, allowing suitable finishes, configurations and lighting controls to be specified for different outdoor applications.
