Single Line Diagram

NESTA EN-1920

Nesta En-1920 Encapsulate light has :

- Luminaire housing made of extruded aluminium
- Delivers seamless, dot-free illumination with high-quality silicone encapsulation.
- Premium aluminum body with high-grade silicone encapsulation for long-lasting performance.
- Delivers consistent and evenly distributed illumination with reduced light spill
- Encapsulation protects LEDs and optics from dust and environmental factors.
- Produces bright, energy-efficient lighting with low power consumption.
- Sealed construction minimizes dust accumulation and reduces maintenance costs.
- Suitable for indoor and outdoor applications
- Uniform illumination
