ORNAMENTAL MESH-50 LED POST TOP

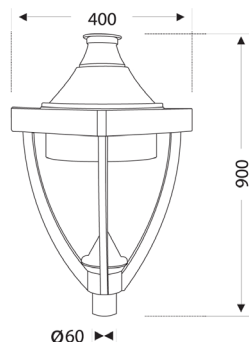

ORNAMENTAL MESH-50 LED POST TOP is a classic architectural outdoor luminaire designed to provide elegant, uniform and comfortable illumination for landscape and pedestrian areas. The luminaire features a robust die-cast aluminium housing with a distinctive decorative crown and six die-cast aluminium supporting arms, creating a refined traditional appearance. A die-cast aluminium heat sink provides efficient heat dissipation, while the polycarbonate frosted diffuser delivers soft, glare-free and evenly distributed illumination. The fitting is finished with durable PU paint and is available in custom RAL colours.

With a width of 400mm and height of 900mm, ORNAMENTAL MESH-50 LED POST TOP is suitable for landscape pathways, gardens, parks, residential complexes, hotel and resort grounds, pedestrian walkways, courtyards, commercial outdoor spaces and architectural landscape projects.

Divinity Lights provides customized lighting solutions according to clients' specific requirements, including suitable finishes, configurations and installation solutions for diverse outdoor lighting applications.
