## RIVEN-375

Riven-375 wall washer light has :

- Unique optical structure and design, with an illumination distance of 40-50 meters.
- Suitable for outdoor lighting and exterior wall lighting
- It is more suitable for high-rise buildings with narrow beam and long-distance illumination of 25-30 meters. RGBW patented optical system is rich in color, flexible and natural, widely used in aluminum curtain wall, building facade and landmark buildings.

RIVEN-375 WALL WASHER

| System Power | Dimensions                        |
